RE: C00306704
30 Day Post General Report (10/16/08-11/24/08)

Dear Christian,

I am writing in response to your letter dated January 9, 2009 in regard to the above-mentioned reporting period. Thank you for your time this morning. As per our conversation, the resolutions of the issues you addressed are as follows:

1. Contributors Ronnie Flippo (\$1,000) and O.B. Miley (\$2,300) dated 10/31/2008 were received via our internet website service. Our contributions to our website provider are received from the provider by check. We received a check that was deposited November 7, 2008 dated October 31, 2008. These two receipts were included in that total. We have amended our report to reflect the check receipt date of November 7, 2008 but designated the contributions as General 2008 contributions since they were received by the internet provider prior to the General Election.
2. Contributor James B. Rogers (\$1,000) was received and deposited via "Remote Deposit Processing" on October 30, 2008. When we transmitted the batch to our bank, we realized that Mr. Rogers check was over the limit we could take from him. He had changed addresses (states) since the last contribution. We called the bank to stop the deposit from processing and we were told it was taken care of. We followed up with the bank the next day, and were told again that the transaction was voided and we could just mail his check back to him. Upon investigating the next Monday, we found that the bank did not void the transaction as we were told, so we wrote a check to Mr. Rogers refunding his over contribution. By the time we realized that the money went in our account, we were out of the window for reporting his contribution.

Please do not hesitate to call me if you have any questions or need any additional information.

Sincerely,

Anita M. Barrera
